S.N. PIKE'S CELEBRATED Magnolia Whiskey

COUNTERFEIT!! CAUTION TO PARTIES PURCHASING S. N. PIKE'S

Magnolia Whisky CINCINNATI, OHIO. THE undersigned, manufacturer and sole proprietor of the above brand of Whisky, would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. ky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caution the public—protect those who are hable to be deceived, and prevent the evil results attending the use of this poisenous imitation. I also hereby caution the counterfeiters of my from three dollars up. Shawls in all sizes and quali-ties, both square and long from the most ordinary to the most elegant. Also just received a fresh invoice of those elegant high-colored, all Silk, Chenele Shawls, hat are really beautiful.

It also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualities of Rye and Corn, and is warranted free from any delererious or obnox-

Mr. Bennett has done some small amount of rooting for me in his peculiar way, with Cotton stuff, contest with a preparation the bosts of which appears to be a Casi Tar. It is a very effectual and ight roof, and appears to promise considerable durability from the preservative qualities of the composition, which penetrates the cloth and protects it from the influence of the air and water. The Composition does not figurity and run fröm the effects of the heaf of the sun in Summer; nor does it harden and crack from the influence in the cold of Winter.
